CONTRACTS

CHAIRMAN MESSAGE

As a pioneer and trusted leader in Facilities Management and Engineering in Qatar, we remain deeply committed to serving the country, its national vision, and its growing infrastructure at the highest standards. Anchored in our strong heritage and the enduring trust of our customers, we continue to build excellence, resilience, and sustainable growth for the future.

Khalifa Ali Alhetmi
Chairman

ALWAYS A STEP AHEAD.

CEO MESSAGE

Al Ghurair is a leading diversified business group shaping progress and transformation across industries, with operations in over 20 countries and a global workforce exceeding 30,000 people. In Qatar, EMCO proudly carries this legacy forward, driving sustainable growth and long-term success while leveraging deep expertise to support and enable the development of key industries across the nation.

Nasser AL Ghurair
CEO

EXECUTIVE VICE PRESIDENT MESSAGE

Our continued success is built on our people. We foster a culture grounded in best practices, strong governance, innovation, sustainability, customer focus, and operational excellence, supported by a commitment to continuous improvement. By empowering our teams and nurturing talent, we create differentiation in the market and deliver lasting value for our clients and stakeholders.

Omar Mostafa
Executive Vice President

OUR VISION

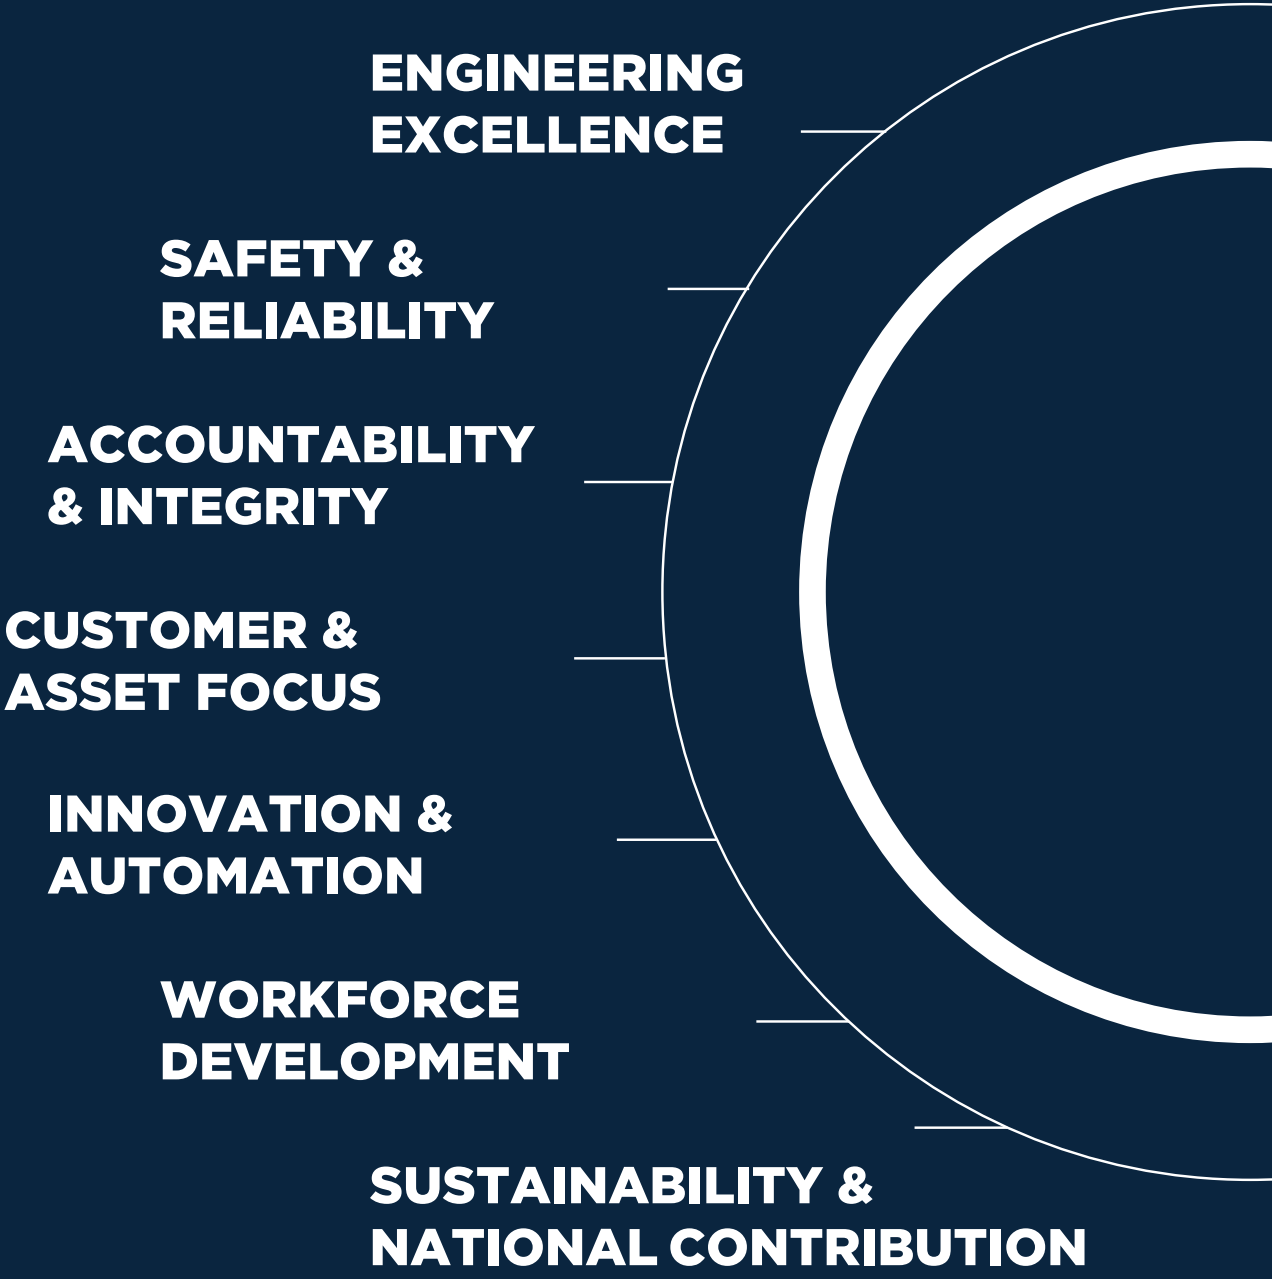

With over 25 years of expertise and over 3000 employees, EMCO aims to become the partner of choice for integrated facilities and asset management solutions - combining engineering expertise, digital systems, operational scale, long-term partnership with major Qatar clients and proven experience in different sectors maintaining essential national infrastructure, to sustain and enhance Qatar's most critical assets.

OUR MISSION

To deliver integrated facilities and asset management solutions rooted in our engineering heritage, leveraging advanced digital systems and automation, disciplined service delivery, and a highly skilled workforce—enhancing asset reliability, reducing operational risk, and supporting the long-term performance of critical infrastructure in alignment with Qatar's national vision and development goals.

INTEGRATED
SERVICES

OUR CORE VALUES

OUR JOURNEY:

2002

Established as a specialized engineering and maintenance company.

2010

Expanded service offerings with the development of integrated facilities management solutions.

2015

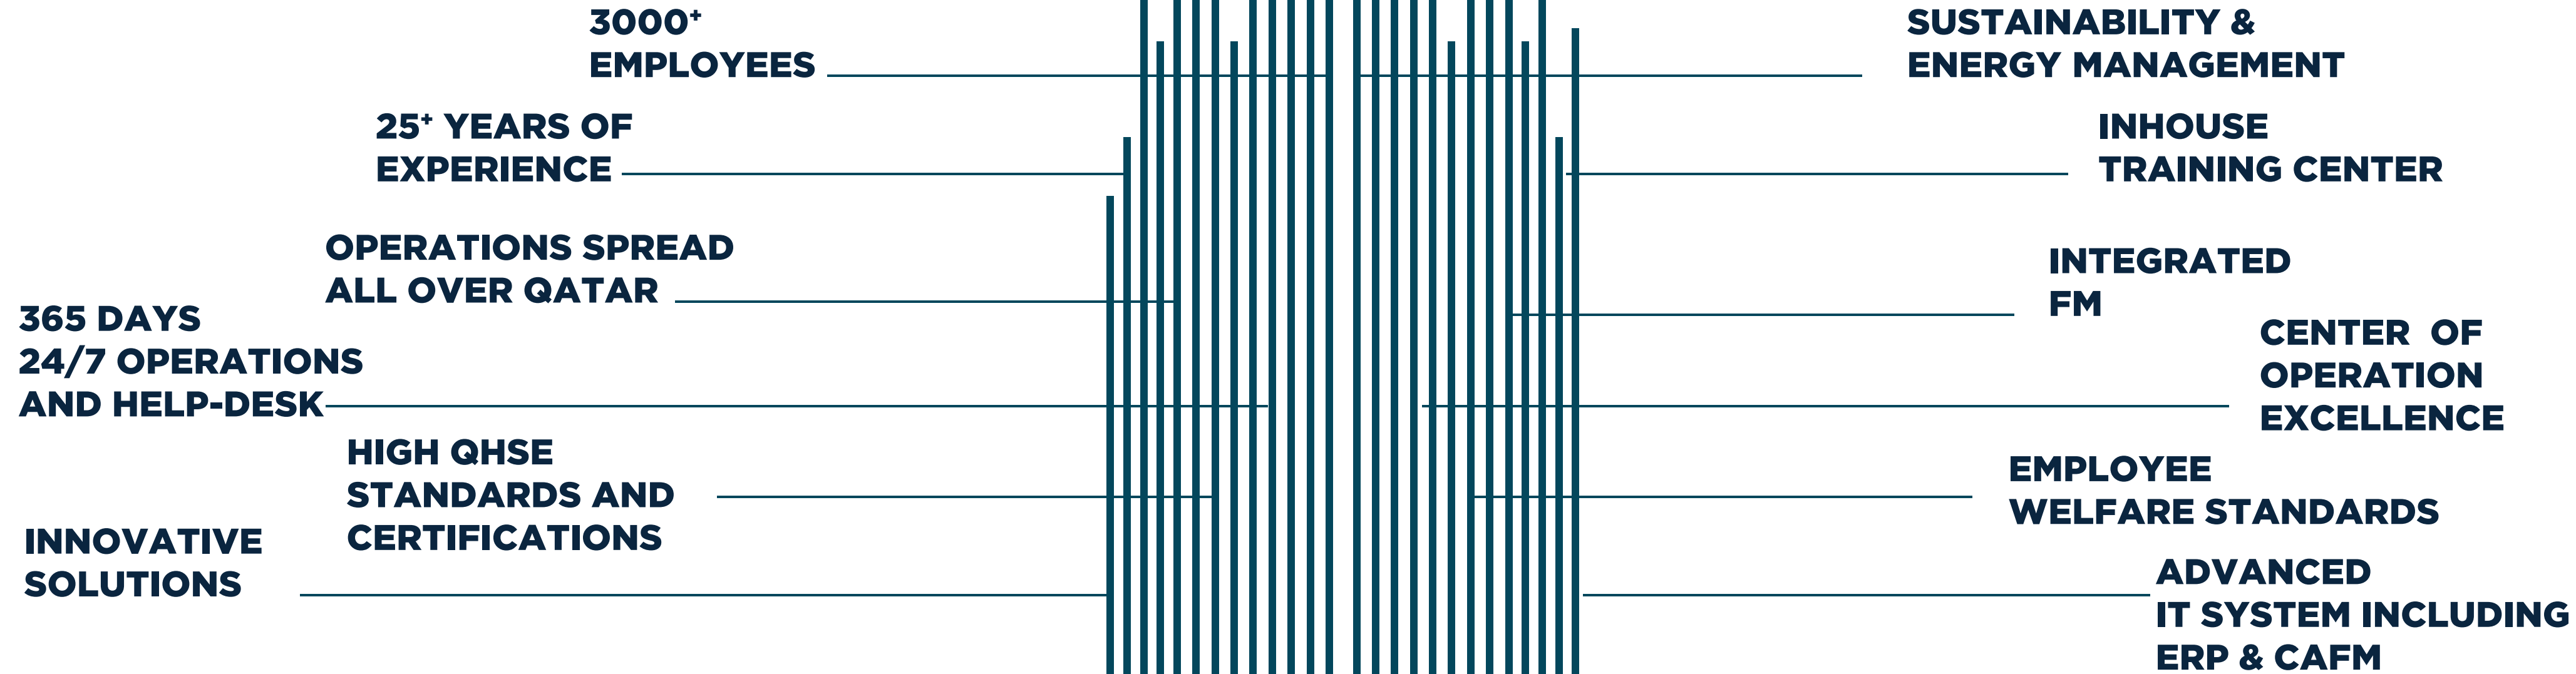

Recognized as the Best Facilities Management Company in Qatar.

2022

Celebrated over 20 years of excellence, supported by a workforce of 3,000+ employees and annual revenues exceeding QAR 300 million.

OUR JOURNEY CONTINUES TOWARD NEW HORIZONS, GUIDED BY STRATEGIC GROWTH AND INNOVATION, AS WE STRENGTHEN OUR CONTRIBUTION TO THE INDUSTRY AND TO THE STATE OF QATAR.

HIGHLIGHTED PROJECTS

QATAR FOUNDATION

Qatar Foundation stands as one of Qatar’s most significant national institutions, playing a pivotal role in advancing education, research, and community development. As a unique mixed-use community, it brings together some of the world’s leading universities, schools, research centers, and cultural institutions within a dynamic and integrated environment that supports innovation, learning, and sustainable growth across the country.

This project marks an important milestone in our history, demonstrating our capacity to rapidly mobilize operations and deliver comprehensive outstanding service in FM, O&M and contracting from day one. Our unwavering focus on excellence and customer satisfaction has ensured a smooth transition and timely execution, strengthening a valued partnership that has endured since 2010.
